DRUMS

In 2021 we will have some exciting additions within our successful Vintage series. We will not only introduce a new DELMAR „Vintage Silver Glitter“ (VSG) wrap, but also our legendary „Rosewood Semi Gloss“ (RSG) wood veneer finish.

Additionally we will expand our range of individual drums with two more snare drum sizes (**14" x 5" and 13" x 6"**) and two more tom sizes (**8" x 8" and 14" x 9"**). These new sizes will be available in all Vintage series finishes.

On the accessory side we are thrilled to announce a classy bass drum mounted cymbal holder. The **VCH Vintage Cymbal Holder** is retractable and includes our Vintage prism mounting bracket which can be retrofitted on every bass drum shell.
