AQX SERIES IS PERFECT FOR PROFESSIONAL DRUMMERS ON THE GO. BUT ALSO FOR DRUMMERS WHO ARE AT THE BEGINNING OF THEIR MUSICAL CAREER.

- Compact lightweight kits: Micro, Jungle and Jazz.
- **Poplar shells:** being softer than other hardwoods like maple, beech or birch, it offers more mid to low frequencies with a softer attack.
- Equiped with contrasting **natural bass drum wood hoops** for an elegant esthetic.
- Cast lugs include **TuneSafe system** to prevent detuning of the drums.
